MANDARIN KIDS PROGRAMME

(age 3 - 12)

FUN-FILLED LEARNING

Our classes are conducted in a good merge of group session and 1-on-1. This way the students get to mix with kids of different language proficiency. During our classes, there will be music, games, poetry recitation, word recognition, picture books, thematic learning, and flashcards.

INTERACTIVE ACTIVITIES

Students attend to our classes for 5 days per week, each day for 1.5 hours. We believe that consistent exposure to the language is essential for effective learning.

TEACHING METHODOLOGY

WORD RECOGNITION

READING

UNDERSTANDING

APPLYING

WRITING

The **Bao Bei 5-Stage Teaching method** is proven effective in achieving fluency in the Mandarin language. It starts with word recognition and structured reading program that enhances their language comprehension and application. Then it progresses to train students' writing skills and aims to achieve proficiency in written expression among children.
